Adding An Exam

An exam must be added to the ProctorU system in order for test-takers to schedule an exam via ProctorU.

To set up an exam instructors may use the integrated form within their ProctorU account. Faculty in need of an instructor account may contact a partnership services representative to be set up with an account.

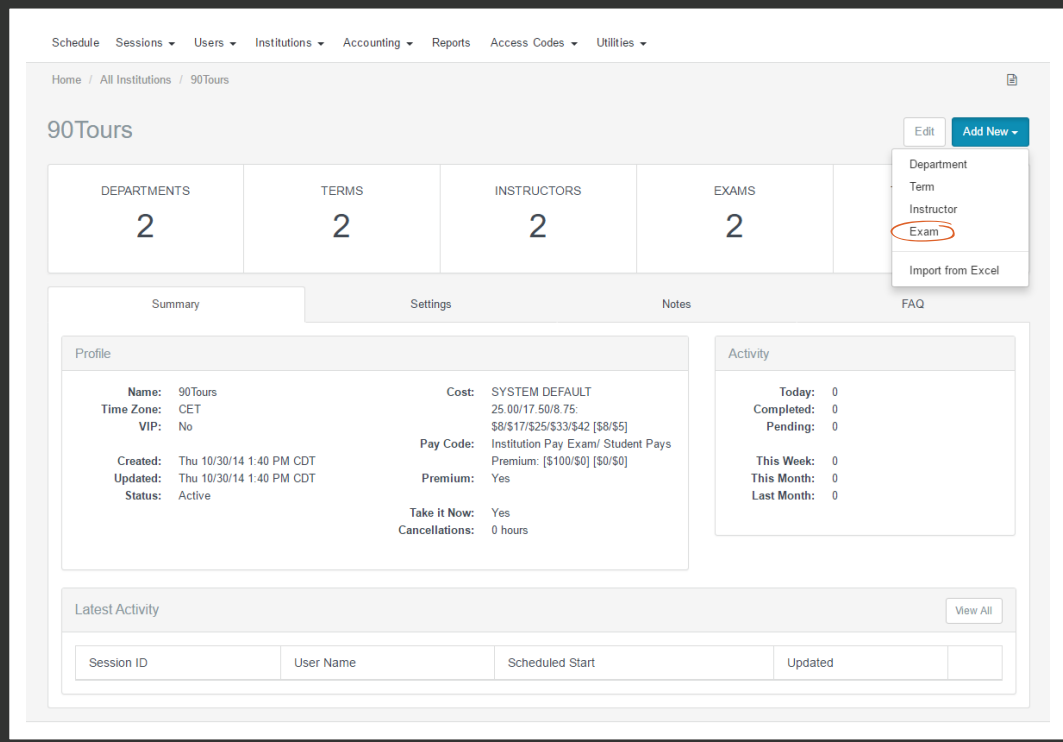

First, instructors log in to their ProctorU account at go.proctoru.com (Figure 1).

On the home page, instructors click on the exam tab at the top to list available exams (Figure 2). Instructors click the blue **Add New** button to open a drop down menu and select **Exam**, opening a new screen where instructors provide exam appointment details (Figure 3).

The image shows the ProctorU login page. At the top center is the ProctorU logo, which is a stylized blue owl with large eyes above a blue letter 'U'. Below the logo, the word 'Login' is displayed. There are two input fields: 'Username or Email' and 'Password'. The password field has a small question mark icon to its right. Below these fields is a checkbox labeled 'Remember Me'. A large blue button labeled 'Login' is positioned below the checkbox. At the bottom of the page, there are three links: 'New user? Sign up here', 'Forgot Password?', and 'Didn't receive confirmation instructions?'.

The image shows the ProctorU dashboard for a user named '90Tours'. The top navigation bar includes links for 'Schedule', 'Sessions', 'Users', 'Institutions', 'Accounting', 'Reports', 'Access Codes', and 'Utilities'. Below the navigation bar, the breadcrumb trail reads 'Home / All Institutions / 90Tours'. The main content area features a summary card for '90Tours' with four metrics: 'DEPARTMENTS' (2), 'TERMS' (2), 'INSTRUCTORS' (2), and 'EXAMS' (2). To the right of this card is an 'Add New' button with a dropdown menu open, showing options: 'Department', 'Term', 'Instructor', 'Exam' (highlighted with a red circle), and 'Import from Excel'. Below the summary card are tabs for 'Summary', 'Settings', 'Notes', and 'FAQ'. The 'Summary' tab is active, displaying a 'Profile' section with details such as Name (90Tours), Time Zone (CET), VIP (No), Created (Thu 10/30/14 1:40 PM CDT), Updated (Thu 10/30/14 1:40 PM CDT), Status (Active), Cost (SYSTEM DEFAULT), Pay Code (Institution Pay Exam/ Student Pays), Premium (Yes), and Take it Now (Yes). An 'Activity' section shows counts for Today, Completed, Pending, This Week, This Month, and Last Month, all of which are zero. At the bottom, there is a 'Latest Activity' table with columns for Session ID, User Name, Scheduled Start, and Updated.

After completing the exam form, administrators receive a notification that the exam has been sent for review.

ProctorU's assessment services review the exam information and enter it into the system. Instructors are notified when the exam has been activated.

Exam details and accuracy can be reviewed within the ProctorU administrative account.

Test-takers may begin scheduling appointments. The administrative account also provides access to records of proctored exams.
