Distance Learning Fees / Dates and Deadlines

Distance Learning Fee applications for spring 2018 should be submitted no later than Friday October 27th, and Dean's approval is required by Friday November 3rd.

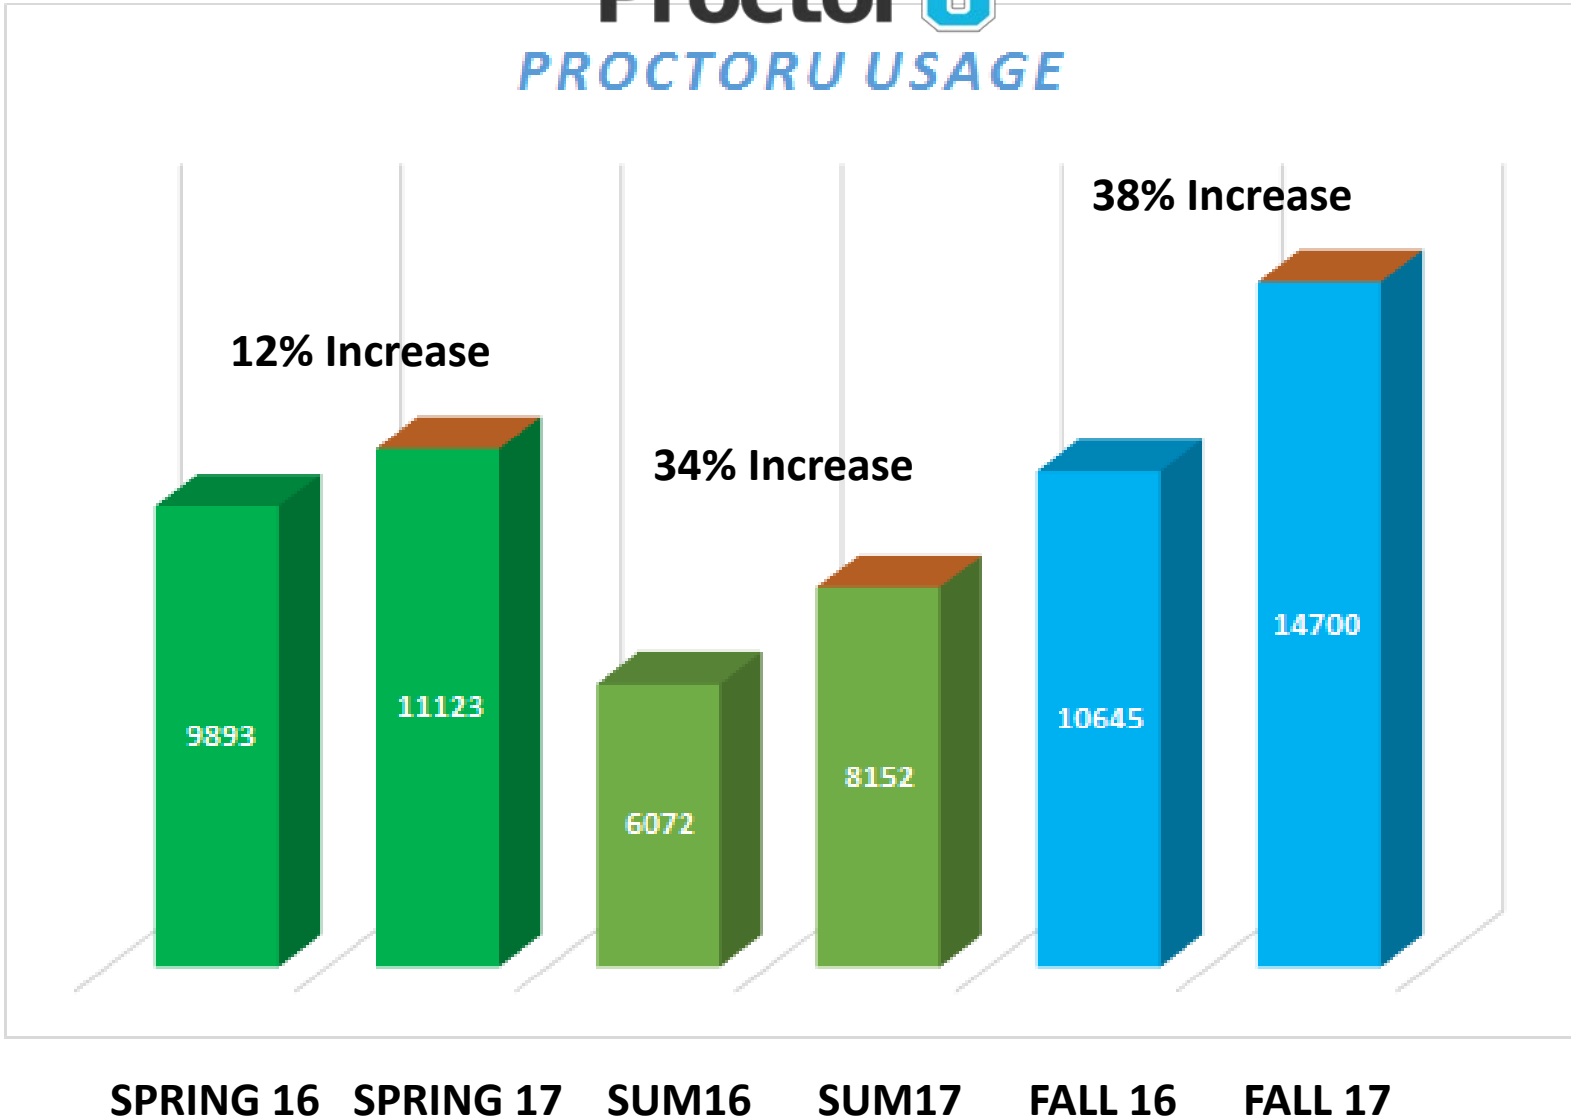

Tagging will open for approved distance learning fees Monday, November 13th and close Monday November 27th with tuition calc turning on Friday December 1st.

When tuition calc is turned on by the Bursar students can see their tuition and fees. We never want to increase fees after that data. You can always remove a dl fee after that date.
